

Dear Craig

11/6/06

I want to take this opportunity to thank you very much for your efforts, and the many phone calls and answers that you were able to give. You made me feel extremely comfortable throughout the whole time you represented me. At first, I was not sure how we became connected, but now I realize how important you were to me, and how we became a team. I had complete trust in you, in which kept me comfortable. Again, Craig, I would like to see my sentence out. I have faith in you, that you can make it happen. I should not have much more to ask of you. I enjoyed that you and Sean were on my team. Thanking you at this time.

Sincerely,
Kelly Gellman
