Dear Mr. Kessler:

Just a note to express my sincere appreciation for the great job you and Sarah performed in the termination of my probation. Many thanks to both of you for your sincere concern and effort to produce a positive and successful result on my behalf. The magnatitute of my appreciation to you is immeasurable. So I will just say thanks and thanks to both of you again a thousand times. Oh yes will you thank the honorable judge Cohen for this compassion and blessings that allowed me to be free from probation. The courtesy extended to me by you and Sarah during this ordeal was impressive because of its rarity. You guys/girl (smile) provided detail explanations, which were very helpful to me. Such concern is refreshing, but no comparison to the warmth and friendship shown me by you and Sarah. Thanks again, and I will never forget what you did for me.

Sincerely,
